THE DENTAL COUNCIL  
OF  
HONG KONG

### **List of Dentists who have Met the Continuing Professional Development Requirements Set by the Dental Council of Hong Kong (2014)**

The Continuing Professional Development (“CPD”) Programme of the Dental Council of Hong Kong (“the Council”) for practising dentists is a voluntary programme which aims to maintain quality professional practice by encouraging dentists to keep themselves up-to-date about current development in knowledge and skills in various fields of professional practice. The CPD cycle for 2014 lasted from 1 January 2014 to 31 December 2014.

All registered dentists who have attained 15 or more CPD points for the 2014 cycle are each awarded a CPD Certificate (持續專業發展證書) by the Council. The awarded dentists could display the Certificates inside their dental practices, including on their visiting cards and letterheads the title “CPD-certified (valid up to 31/12/2014)” or in Chinese “持續專業發展達標認證(有效期至 31/12/2014)”.

The following 704 practising dentists have been granted the CPD Certificates and are allowed to use the title “CPD-certified (valid up to 31/12/2014)” on their visiting cards and letterheads for the 2014 cycle –
