Dear Members of the Dental Profession,

Fulfil Our Civic Responsibilities, Build a Better Future Together

The Eighth Legislative Council General Election of the Hong Kong Special Administrative Region will be held on Sunday, 7 December 2025.

The role of dental profession has all along been vital in Hong Kong's healthcare system. As the work of the Legislative Council has profound influence on the future development of our profession as well as the long-term well-being of the community we serve, I believe all of us hope that this election will bring forth representatives who truly understand the needs and aspirations of dental profession, and who will advocate for our profession within the Legislative Council to drive continued progress in Hong Kong's public healthcare as a whole and dental profession in particular.

As the Chairperson of the Dental Council, I sincerely urge all fellow dental professionals to actively participate in this important election and cast your decisive vote on 7 December. Together we shall demonstrate our commitment to civic responsibility and professional solidarity.

Let us stand together and participate with enthusiasm — for the prosperity, stability, and a brighter future of both Hong Kong and our profession.
